To whom it may concern:

Deal Golf & Country Club has recently contracted Mottin Golf to do several projects on the golf course. Doug has a very professional staff that is well equipped to get the job done in a timely manner and on budget. Doug's expertise in golf course renovations shows in the quality of work that he produces.

I will definitely use Mottin Golf for future golf course projects and highly recommend Mottin Golf for any size project that you may be planning. Please feel free to contact me with any questions: (732) 531-8911 or jthomas@dealcountryclub.com

Respectfully,

Jim Thomas

Golf Course Superintendent

Deal Golf & Country Club
