Dear Doug,

I wanted to thank you for all of the great work that you and your staff have done here at Meadowlands over the past couple of years. The professionalism, quality of work and attention to detail exhibited by you and your staff has been wonderful.

Our members here at the club are also extremely pleased with the quality of the greens, tees and bunkers that have been constructed by MGCR. Our Master Plan renovations could not have been completed so successfully without your experience and expertise. We are all looking forward to continued work with your company on future projects here at Meadowlands Country Club.

Thanks again for everything,

Respectfully,

Jim Lynagh
Golf Course Superintendent
